Mr. Hetu-

Lester Kinsolving, editor of WASHINGTON WEEKLY, called yesterday afternoon regarding a conference Panax newspapers-- a chain of 74 dailies and weeklies in eight states-- is holding in Washington 12-16 September on National Security and National Defense. Twenty-five to thirty editors will attend the conference. Mr. Kinsolving would like to set up a visit to the CIA and a meeting with Admiral Turner.

When I couldn't give him an immediate answer, Mr. Kinsolving became a little agitated and said he knew of other groups of editors who had been here.

Jayna has done some research on Kinsolving and Panax for you.
